

### REMARKS

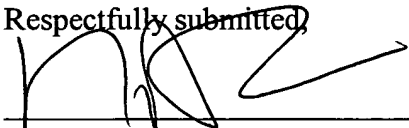

Applicants appreciate the notification of allowable subject matter, i.e. that claims 1-10, 20-28 and 31-33 are allowed.

Claims 34 and 35 have been added. No new matter has been added by virtue of those new claims. For instance, support for those new claims appears e.g. in the original claims of the application.

Claims 11-17 and 16 were rejected under 35 U.S.C. 103 over Donnelly et al. (U.S. Patent 4925386) and Donnelly et al. (U.S. Patent 6,521,869).

While Applicants disagree with this rejection, Applicants are submitting under separate cover a Rule 131 Declaration which will antedate U.S. Patent 6521869 and thereby obviate the rejection.

Respectfully submitted,

---
